<p><b>PROFIL DE L'ETABLISSEMENT RECHERCHÉ - PROFILE REQUIRED</b></p>	
<p>DESCRIPTION DE VOTRE RECHERCHE – DESCRIBE WHAT YOU ARE LOOKING FOR</p> <p>Instituto Español Giner de los Ríos de Lisboa is considered a Spanish public school that belongs to the net of public schools that Spain has abroad. We are located in Lisbon and we have students from 3 to 18 years old mostly with Spanish nationality.</p> <p>In our website you can have more information about the projects and activities that we work on, specially on instagram.</p> <p><a href="https://ginerdelosrios.educacion.es/">https://ginerdelosrios.educacion.es/</a></p> <p><a href="https://www.instagram.com/ielginerlisboa/guides/">https://www.instagram.com/ielginerlisboa/guides/</a></p> <p>Our school follows the general spanish curriculum and all the subjects are taught in spanish except english, french and portuguese.</p> <p>As we are an accredited school, we have financial support to do <b>several long term mobilities</b> (from 6 week or <b>3 months</b>) for next school year 24-25. We offer to host your students as well.</p> <p>They can be allocated in hosting families or in boarding residences. For us, the perfect age is 15-16 years old, but we can adjust the ages a bit. We found out that we had funds to do these types of mobilities in July, that's why we are a bit in a hurry to find schools to do them.</p> <p>Our students have excellent qualifications and they are highly motivated by the opportunity to improve their French language skills, experience French culture firsthand, and enrich their academic and personal experiences. We believe this experience will be highly beneficial for both our students and the French schools that host them, fostering cultural and educational exchange between our countries.</p> <p>If you think that we can be partners just let me know by replying to this email and we can work out conditions and dates.</p>
