## Open Ended Questions

Consider the social consequences mentioned in the text, such as the emancipation of enslaved African Americans. Are there any social changes happening today that you find significant? How do they compare to the changes brought about by the Civil War?

## THE CIVIL WAR

The American Civil War was a major conflict that took place in the United States from 1861 to 1865 [1]. It was fought between the Union, also known as "the North," and the Confederacy, also known as "the South" [1]. The main cause of the war was the disagreement over whether slavery should be allowed to expand into the western territories [1]. The Union, led by President Abraham Lincoln, wanted to prevent the expansion of slavery, while the Confederacy, led by President Jefferson Davis, wanted to protect the institution of slavery [1].

The war began when the Confederacy attacked Fort Sumter in Charleston, South Carolina [3]. This event led to the secession of several southern states from the Union and the formation of the Confederacy [3]. The war lasted for four years and resulted in the deaths of over 600,000 soldiers [3]. The Union eventually emerged victorious, preserving the United States as one nation and ending the institution of slavery [3]. This was a significant turning point in American history, as it determined the future of the nation and its stance on slavery [3].

The American Civil War was a high-intensity conflict that involved large-scale battles and significant casualties [2]. It was one of the most destructive conflicts in the Western world at that time [3]. The war also had far-reaching social consequences, including the emancipation of four million enslaved African Americans [6]. It brought about major changes to the nation's financial system and the relationship between the states and the federal government [6]. The war was a turning point in American history and shaped the nation into what it is today [6].

In conclusion, the American Civil War was a major conflict that took place in the United States from 1861 to 1865 [1]. It was fought between the Union and the Confederacy over the issue of slavery [1]. The war resulted in the preservation of the United States as one nation and the end of slavery [3]. It was a high-intensity conflict with significant casualties and far-reaching social consequences [2][6]. The American Civil War is a pivotal event in American history that shaped the nation's future.
